inter pipeline **DRAFTING COORDINATOR
COCHRANE EXTRACTION PLANT**

The role is key in meeting our commitments to managing change and ensuring plant information is accurate and complete. This position is responsible for the maintenance of plant drawings and technical information, creating new drawings to support plant based projects, drafting from redline markups, and assisting site personnel with finding drawings or technical data as required.

Key Activities and Responsibilities:

- Maintain plant drawings and technical information at site.
- Coordinate drafting needs for the site along with regular updates of drawings using in-house resources and outsourcing as needed.
- Record and issue tags for new equipment and ensure key information is archived appropriately.
- Interface with site staff to provide drawings and general information required to complete assigned work. Produce new drawings as directed following site procedures and standards in addition to good drawing practices.
- Support capital projects with the creation of new drawings and coordinate drawings produced by outside firms for major projects, under the direction of project managers.
- Contribute to plant based capital projects and plant upgrades as assigned from time to time.
- Work with outside contractors and vendors to complete drawing work as required.
- Become proficient over time with all types of plant drawings (electrical, instrumentation, piping, structural, etc.).

Education, Skills and Experience:

- Graduation from a technical institution with a technical or design-related diploma.
- Experience with oil and gas related drawings in the 0-5 years range, preferably in a plant environment with piping and/or instrumentation design experience.
- Must have a good working knowledge and be proficient in AutoCAD and standard MS Office applications.
- Ability to work independently and be self motivated, while being flexible and adaptable.
- Openness to learn all plant drawing types and develop over time to become proficient with all drawing types.

We are a major petroleum transportation, storage and natural gas liquids extraction business that ranks among the largest energy infrastructure companies in Canada. Inter Pipeline was named as one of Alberta's 50 Fast Growth Champions for 2010 determined by Alberta Venture. For more information about us, please visit our website at www.interpipelinefund.com

*If roses grow in Heaven Lord
Please pick a bunch for me.
Place them in my Mother's arms
and tell her they're from me.
Tell her I love her and miss her,
and when she turns to smile,
Place a kiss upon her cheek
and hold her for a while.
Because remembering her is easy,
I do it everyday,
But there is an ache within my heart

Obituary

COATES - David "Roger"

David "Roger" Coates was born on May 27, 1947 in Sussex, England emigrating to Canada in 1981. Roger passed away October 16, 2010 at the Rosedale Hospice, Calgary after a courageous battle with cancer. Roger lived in the Cremona/Water Valley area on his beloved acreage for 20 years. Roger worked for Pan Canadian Petroleum as the Chief Architect in Information Technology for many years and he greeted each day with enthusiasm for his career having the most amazing ability to predict and visualize the future of computers. Roger had a wicked sense of humour and treasured his Canadian family. He was so honoured to have so many friends within his life. For those who knew Roger well, his other identity was Santa Claus, a simple character who loved Christmas. The joy that he brought to his beloved community was infectious. He worked alongside his family and very special elves Wendy Clarke and Eva Merritt. Travelling throughout Cremona, Water Valley, Didsbury, Carstairs and Calgary conducting many interviews with local newspapers and as a result he formed the Santa Phone Line in which he spoke to each and every child throughout the Christmas season for 13 years. What a wonderful memory he has given us all, he will be sadly missed. Roger was a beloved husband, father, grandfather and truly adored his six grandchildren. He is survived by his wife of 40 years, Marie; children Richard (Susan) Coates, Heather (Rob) McInnis, Paulette (Aaron) Gates all of Calgary; grandchildren Samantha & Amanda Coates, Kaelin & Danika McInnis, Alania & baby Cameron Gates; brother Peter (Rosemary) Coates of Devon, England; sisters Peggy (Bill) Ermigh of Kelowna, BC; Audrey (Glynn) Davis of South Wales, UK; sister-in-law Tamara Coates of Derbyshire, England as well as many nieces and nephews who reside in BC and England, all of which meant a great deal to him. Roger was predeceased by his father, mother and most recently his brother Ken who passed away in June of this year.

At Roger's request, he has asked his family and friends if they would please wear casual clothing and avoid black outfits to the service. It was important to Roger that he created a warm, comfortable atmosphere for all the special people in his life. A Celebration of Life will take place on Saturday October 30, 2010 at 2:00 p.m. at the Cremona Congregational Church, Cremona. Roger did not want any flowers, but donations may be made to his favorite charity, Alberta Institute for Wildlife Conservation, Box 68, Madden, AB TOM 1L0.
