

# **WORMSLEY, Terence Lee (Terry)**

We would like to announce that Terry passed away peacefully on October 24th after a long journey of completing his 'bucket list'.

Terry is predeceased by his parents Fred and Edith Wormsley, and some very special friends.

Terry leaves behind his loving wife Mary Wormsley of 33 years. His children; Sean (Amanda) Silverstein, Holly Wormsley, Tara (Mike) Jones. Grandchildren; Sean Jr., Cody, Savanna. Siblings; Rick (Kathy) Wormsley, Tina (Andrew) Mann, Angela (Robin) MacArthur.

Terry also leaves behind many many friends and created a legacy like no other. A father to anyone that needed one, a friend to anyone that needed one, and a man without judgement. Because of Terry, the name Wormsley refers to so many than those that bear the name.

I knew a Man who held his family close  
Who cherished and treasured those moments the most  
Whose wisdom and love flowed through Art  
Who walked this path with courage and heart  
A Man who has many, many friends  
A Man who we'll miss... till our own path ends...

A gathering will begin at 11:00 am on Sat. Oct. 29, at the Cochrane Legion (Children Welcome) and then a celebration of life will continue at the Texas Gate in Cochrane at 1:00 pm where Terry has requested a toast to his life.
